2006 Faculty Well-Being Survey: LITRE-Related Questions**

In fall 2006 NC State's University Planning and Analysis office (UPA) administered the Faculty Well-Being Survey. The primary goal of the survey was to collect information from the faculty to better enable the University to work towards meeting its Strategic Plan's Investment Priority "to help attract, develop, and retain a faculty of the highest quality."

Questions from this survey that relate to LITRE and the use of technology around campus are summarized below. The complete survey, details of its development and administration are available at <http://www2.acs.ncsu.edu/UPA/survey/faculty/index.htm>

**Question: (B2e) What kind of national reputation does your department currently have for Technological and managerial innovation?(N=713)**
